Executive Summary

E.0 Introduction

Haryana is a part of the Kuru region in North India. A large area of Haryana lies in the National Capital region. Haryana encompasses the Indus Valley and Vedic civilizations. Haryana also has a very rich cultural heritage which goes back to the vedic times. Haryana is also well known for its music and folk dance.

Haryana is known as the “Green Land” of India and is known for its magnificent growth in the field of agriculture. The most visited tourist places in Haryana are Kurukshetra, Gurgaon, Faridabad and Chandigarh. Haryana has many interesting and unique tourism offerings i.e. Highway Tourism, Farm Tourism, Golf Tourism, Pilgrim Tourism, MICE Tourism, Heritage Tourism and Adventure Tourism. The distinctive offerings of Haryana, makes it a perfect vacation destination for many a travelers.

Keeping this in mind the Ministry of Ministry of Tourism, Government of India has awarded ACNielsen **ORG-MARG, one of the largest market research and consultancy organizations in this part of the continent, to conduct an study for a period of one year for collection of Tourism Statistics.**

E.1 Research Aim

Aim of the proposed research would be to collect relevant tourist related statistics, from the State of Haryana, which would enable analyzing subtle trends as well as preparation of month wise and annual estimates separately for foreign and domestic visitors –with a break –up of overnight tourists & same day visitors for the selected tourist places.

E.2 Research Objectives

To achieve the aim of the study, the objectives for the proposed research, would be as follows:-

-  To enlist prime tourist locations in the state and available accommodation facility thereof.
-  To generate details about available infrastructural facility at the prime tourist spots in the State.
-  To collate month wise information about domestic as well as foreign tourists availing accommodation in all facilities in those locations

- ✚ To collate month wise expenditures made by the State Government for development of tourism and its potential earnings
- ✚ To accrue information on employment in the accommodation units, estimate direct employment generated in accommodation units at district & state level.

The field survey in a State will be conducted for a period of 12 months in all districts of the State. The survey will be used to obtain the following month-wise information for each district:

- ✚ Estimated number of visits
 - (i) Visits by overnight visitors- staying at accommodation units;
 - a. Staying with friends and relatives
 - b. Others, such as those staying in tented accommodations provided by State Govt. or by any other charitable organizations, etc.
 - (ii) Visits by same-day visitors
 - a. Profile of visitors, their expenditure pattern, purpose of visits, etc.
 - b. Occupancy rates and direct employment in accommodation units.

E.3 Terms of Reference

The terms of reference of the study as indicated are as under

- i. Prepare a frame/ list of all important tourist places in the State.
- ii. Formulate a methodology for preparation of month wise and annual estimates of the following, separately for foreign and domestic visitors (with break –up of overnight tourists & same day visitors) for the selected tourist places at district & state level:
 - Total no: of tourists (overnight)
 - Total number of same day visitors
 - Total number of tourists staying with friends /relatives
 - Expenditure incurred by tourists (overnight)
 - Expenditure incurred by same day visitors
 - Expenditure incurred by tourists staying with friends / relatives
 - Profiling the tourists /visitors at district and state level in respect of age, sex, occupation, purpose of visit,, state /UT of residence or country of origin, duration of stay, mode of journey, use of package tour etc.

- iii. To prepare a suitable methodology for the parameters mentioned at S.No.(ii) above. A comprehensive list of tourist places at district level in the State is to be prepared.
- iv. Formulate a methodology and prepare month-wise and annual estimates of occupancy rate of accommodation units at district and State levels.
- v. Conduct one-day workshop for the officers of the State to be surveyed and a few other States and organizations. Total number of participants would be about 30. Details of the exercise and the proposed methodology to be adopted for estimating the number of tourists and other parameters mentioned in other paras of TOR will be explained by the consultants in the workshop. The methodology may have to be revised based on discussions in the workshop and inputs from Ministry of Tourism and other experts.
- vi. Prepare a frame/list of tourist place-wise all accommodation units, like Hotels, Dharamshallas, Guest houses, etc. for conduction State level survey on tourism, Update this frame/list on quarterly basis; and accordingly revise the coverage, This frame should include information on rooms, beds and employment, etc. Also conduct survey of selected tourists staying in accommodation units to identify the purpose of their visits.
 - o Based on the methodology finalized, collect, compile data about domestic and foreign tourists to provide information as mentioned at S. No. (ii) Above.
 - o Based on the information on employment in the accommodation units in the sampling frame, estimate direct employment generated in accommodation units at district and State levels.
 - o Collect information on the annual expenditure incurred by State Government at the selected tourist places, at district level and at the State level for development of tourism.
