EMPLOYMENT GENERATED THROUGH SCHEMES UNDER THE MINISTRY

306. SHRI PARTAP SINGH BAJWA:

Will the Minister of **TOURISM** be pleased to state:

- (a) details of total number of people directly employed in the projects being developed under Swadesh Darshan Scheme from 2019 till date, State-wise;
- (b) details on number of people directly employed in religious destinations under PRASAD Scheme from 2019 till date, State-wise; and
- (c) details on percentage increase in placement or self – employment of successfully certified trainees under Capacity Building for Service Providers from 2019 till date, State-wise?

ANSWER

MINISTER OF TOURISM

(SHRI G. KISHAN REDDY)

(a): The projects sanctioned under Swadesh Darshan scheme are under different stages of implementation and the Ministry of Tourism has not undertaken any study to access the details of the total number of people directly employed in projects being developed under the scheme. However, a third party impact assessment of 'Swadesh Darshan' scheme was undertaken by National Productivity Council (NPC) in July, 2019; which states that 'Swadesh Darshan scheme' has been able to give a fillip to livelihood opportunities and create employment for the local communicates in construction phase.

(b): Under the PRASHAD scheme, the provision of collection of employment data is a one-time activity which is provided by the respective States during the time of project closure and submission of the closure documents. There is no primary data collection done by the Ministry. The secondary data regarding employment generation available with the Ministry submitted by the respected state government since 2015 are at annexure-I.

(c): State-wise data of percentage increase in placement or self employment of successful certified trainees under Capacity Building for Service Providers (CBSP) is not compiled. However, the number of persons trained during the Financial Year 2019-20 and Financial Year 2021-22 along with persons placed and placement percentage are at annexure-II.
