Pre-Bid Queries and clarification

i. M/s 6TH P Marketing

Tender Clause No.	Page No.	Current Requirement	Query	Response of the Ministry
5.7 Bullet 8	5	Internet connectivity to be provided	Internet connection to the exhibitors- you are requested to reimburse same on actuals as the exact cost cannot be found without logging into ITB Asia portal.	Since it is a variable cost, the reimbursement may be done on the actual bills.

ii. M/s Expro Events & Exhibits

Tender Clause No.	Page No.	Current Requirement	Query	Response of the Ministry
4. "Scope of Work" Sub clause. 4.6	3	The agency will be responsible for storage and transportation of reusable material for the events covered in this tender	Is the agency responsible for transporting any reusable material back to India from Singapore?	No. If required the material may be handed over to the Indian Embassy in the city.
4. "Scope of Work" Sub clause. 4.8 & 4.9	4	4.8 The Electricity and other miscellaneous charges relating to the space raised by the organizer of the event, will be paid by the booth constructor hired by the ministry to construct the pavilion on behalf of Ministry of Tourism, Government of India. The same will be reimbursed by Ministry after completion of the event on the production of the original bill, along with the other payments.	Would you be willing to consider reimbursing the actual costs of services such as internet services (if applicable), required manpower, and electricity charges, as mentioned in points no. 4.8 and 4.9 of the "Scope of Work"?	Since it is a variable cost, the reimbursement may be done on the actuals.

		<p>4.9 The hiring of ushers (maximum number of 4 ushers for the entire duration of the exhibition), Photographer / Videographer and Henna artists etc. will have to be hired and its cost will be reimbursed by Ministry after completion of the event, on the production of the third party bills on the basis of actuals. The rates for hiring the persons should not be higher than the rates approved by MEA</p>		
-	-	-	<p>On-Site Setup and Dismantling: Could you please provide details regarding the available setup days for on-site fabrication and the dismantling days/times after the event?</p> <p>Fabrication Guidelines: Could you please provide us with any basic fabrication guidelines from the organizer or Ministry of Tourism that would help us propose a more relevant pavilion design?</p> <p>Budgetary Constraints and Design Requirements: Are there any specific budget constraints or preferred design elements, such as rigged branding or fascia from the ceiling/mezzanine floor, that we should consider in our design?</p>	<p>The same will be informed soon.</p> <p>No, The bids will be evaluated on the basis of innovation in design.</p> <p>As intimated by the organizers rigging permission is not open anymore.</p>
