

India's Ranking in the Travel and Tourism Development Index

Posted On: 19 DEC 2024 3:56PM by PIB Delhi

According to the Travel and Tourism Development Index (TTDI) 2024 report published by the World Economic Forum (WEF), India is ranked 39th among 119 countries. In the previous index published in 2021, India was ranked 54th. However, due to a revision in the WEF's methodology, India's 2021 rank was adjusted to 38th place.

The Ministry of Tourism under the schemes of 'Swadesh Darshan', 'National Mission on Pilgrimage Rejuvenation and Spiritual Heritage Augmentation Drive (PRASHAD)' and 'Assistance to Central Agencies for Tourism Infrastructure Development' provides financial assistance to State Governments/Union Territory Administrations/Central Agencies for the development of tourism related infrastructure and facilities at various tourism destinations in the country. The details of projects sanctioned under these schemes are annexed.

As per information received, the Ministry of Health and Family Welfare has launched India's official portal for Medical Value Travel (MVT), which is the Advantage Healthcare India portal. It is a "One-Stop" portal developed for the facilitation of information for those who want to avail medical treatment in India from abroad. Any international patient seeking medical care or wellness services in India can visit the Advantage Healthcare India portal by logging on to www.healinindia.gov.in.

This information was given by Union Minister for Tourism and Culture Shri Gajendra Singh Shekhawat in a written reply in Rajya Sabha today.
