MONTHLY TOURISM STATISTICS

NOVEMBER 2024

MINISTRY OF TOURISM
GOVERNMENT OF INDIA

Tourism – An Integral Driver for Economic Growth

Tourism is one of the world's largest economic sector that creates jobs, drives exports, and generates prosperity across the world. It also has the major potential to contribute to the local economy. India being diverse in landscapes, cuisines, heritage, adventure, wildlife and culture is emerged as a well-known destination for both overseas and domestic travellers in recent years. Tourism being integral pillar of the economy, various development initiative has been taken up by Ministry of Tourism, Government of India.

Role of tourism statistics is very critical in development of the tourism sector. Timely, complete, accurate and reliable statistics is essential ingredient for formulation of sound economic development policies, by which the decision making and development plans of the government becomes concentric.

The Research and Analytics (R&A) Division of the Ministry of Tourism is mandated for collection, compilation, publication and dissemination of all kind of tourism statistics. Also, for Promotion of research in the field of tourism Statistics and Market Research. R&A division brings out this monthly bulletin that mainly focuses tourism statistics related to foreign tourist arrivals(FTA), Indian national departure(IND), estimation of Foreign exchange earnings(FEE) from tourism and international scenario of tourism statistics on the basis of latest available UNWTO barometer.

R&A division is thankful to BOI and other stakeholders for providing the data and other relevant documents.
