

**GOVERNMENT OF INDIA  
MINISTRY OF TOURISM**

**LOK SABHA  
UNSTARRED QUESTION NO.2411  
ANSWERED ON 04.08.2025**

**INCLUSION OF EMERGING TOURISM TRENDS IN SDS 2.0**

**2411. SHRI AZAD KIRTI JHA:  
SHRI DUSHYANT SINGH:**

**Will the Minister of TOURISM be pleased to state:**

- (a) the details of the major differences between the Swadesh Darshan Scheme 1.0 and Swadesh Darshan Scheme 2.0 in terms of objectives, themes and implementation strategies along with the specific steps being taken to ensure that tourism development under this scheme is sustainable and responsible;**
- (b) the manner in which the Government justifies the repetition of themes from Scheme 1.0 in Scheme 2.0 without significant innovation;**
- (c) whether the Swadesh Darshan Scheme 2.0 has incorporated emerging tourism trends such as Caravan tourism, Gastronomy tourism, Avi tourism and Military tourism, which are gaining popularity post-pandemic, if not, the reasons therefor;**
- (d) whether the Government conducted any studies or consultations to identify these trends and if so, the details thereof along with plans to include said trends into the scheme;**
- (e) the details of the measures being implemented to improve road and air connectivity to iconic and lesser-known tourist destinations in the country along with any targeted investments in the related infrastructure; and**
- (f) the manner in which the Government has any plan to integrate emerging technologies like Virtual Reality (VR) with the Incredible India Content Hub to create more immersive tourism experiences?**

**ANSWER**

**THE MINISTER OF TOURISM (SHRI GAJENDRA SINGH SHEKHAWAT)**

**(a) to (f): Ministry of Tourism launched its 'Swadesh Darshan scheme (SDS)' in 2014-15 with the idea to develop tourism infrastructure under**

**identified thematic tourism circuits in the country. The scheme was revamped as 'Swadesh Darshan 2.0 (SD2.0)' with the aim to develop sustainable tourism destinations with tourist and destination centric approach and has sanctioned 52 projects. In addition, the Ministry has also sanctioned 36 projects under 'Challenge Based Destination Development (CBDD), a sub-scheme of Swadesh Darshan. Further Government of India under 'Special Assistance to the States for Capital Investment (SASCI)' scheme has also sanctioned 40 projects in the country. The projects under the above mentioned scheme were sanctioned on receipt of the project proposals from the States, its assessment, availability of funds, inter-se priority etc. Details of projects sanctioned under SD2.0, CBDD and SASCI is annexed.**

**The Swadesh Darshan 2.0 scheme recognizes that in order to minimize the negative impacts and maximise positive impacts, sustainable and responsible tourism is a key. It encourages adoption of principles of sustainable tourism including environmental sustainability, socio-cultural sustainability and economic sustainability. The scheme focuses on development of variety of tourism projects including new emerging trends in order to provide enhanced experience to the tourists.**

**No specific study has been undertaken to incorporate emerging trends in Swadesh Darshan scheme. However, the scheme guidelines provide an illustrative list of components which can enhance tourism potential covering tourism core products, tourism activities, performing art infra, sanitation & safety, connectivity & parking, general site development, soft interventions etc. The projects sanctioned under Swadesh Darshan 2.0, CBDD and SASCI schemes include a variety of projects covering various tourism trends and immersive experiences such as beach experience, cave experience, adventure, border experience, meditation centre, convention centre, religious & spiritual aspects, bird sanctuary, historical theme park, tribal culture experience, fort, bio-diversity and eco-recreation, sub-marine tourism etc.**

**In order to provide better connectivity, the Ministry under its schemes also provides assistance for last mile connectivity. The Ministry co-ordinates with concerned line Ministries to improve connectivity including road and air connectivity.**

**As informed by Ministry of Civil Aviation (MoCA), MoCA has launched Regional Connectivity Scheme - Ude Desh ka Aam Nagrik (RCS-UDAN) on 21.10.2016 to enhance regional air connectivity from unserved and underserved airports in the country and make air travel affordable to the**

**masses. During the 3rd round of bidding under the UDAN Scheme, a total of 106 tourism-specific routes were incorporated at the request of Ministry of Tourism.**

**A total of 53 Tourism RCS routes operated till 31.01.2025 under UDAN with 100% VGF support by Ministry of Tourism, providing direct air connectivity to tourist destinations and cultural sites in the country.**

**The government has also announced the launch of modified UDAN Scheme to increase regional connectivity to 120 new destinations across the country and cater to 4 crore passengers in the next 10 years. The scheme will also support helipads and smaller airports in hilly, aspirational and North East Region districts.**

**The Ministry has launched the revamped version of Incredible India Digital Platform (IIDP) as a comprehensive resource of travellers and stakeholders interested in exploring the country's rich cultural heritage, natural beauty and diverse attractions. The IIDP uses an AI-powered tool that personalizes visitor experiences by offering real-time weather updates, city exploration, and essential travel services. The portal has also partnered with several Online Travel Agents (OTAs) and stakeholders for seamless booking of flights, hotels, cabs & buses and tickets for ASI monuments.**
