Metadata Report - Foreign and Domestic Tourist Visits (FTV-DTV)

Foreign and Domestic Tourist Visits (FTV-DTV)	
contact_organisation	Ministry of Tourism
compiling_agency	Research and Analytics Division, Ministry of Tourism
custodian_agency	Research and Analytics Division, Ministry of Tourism
organisation_name_owning_processes	Research and Analytics Division, Ministry of Tourism
author	
disseminating_agency	
contact_name	Sanjay Kumar
designation	Director
postal_address	Research and Analytics Division Ministry of Tourism New Delhi - 110003
contact_email	tourism.mrd@gov.in
contact_number	011-23724172
fax_number	
data_description	The dataset provides information on Foreign Tourist Visits (FTVs) and Domestic Tourist Visits (DTVs) based on data furnished by State Governments and Union Territory Administrations.
classification_system	None
standard_classification	Not Applicable
international_classification	
national_classification	
sector_coverage	Union of India

concepts_and_definitions	Visitor: A visitor is a traveler taking a trip to a main destination outside his/ her usual environment for any main purpose (business, leisure or other personal purpose) other than setting up of residence or to be employed at the place visited. (Exclusion: The travelers at a tourist destination for whom the tourist destination is part of their usual environment, are not considered visitors for the purpose of this survey. A traveler staying in the same city / village who visits a tourist destination with a frequency of once in a month or more than that would be treated as a non-visitor) Tourist: A visitor is classified as a tourist if his/ her trip includes an overnight stay. A tourist is also referred to as an overnight visitor. Domestic Visitor: A visitor, who is a resident Indian, will be treated as a domestic visitor. Foreign Visitor: A visitor whose country of nationality is other than India will be treated as a foreign visitor. Note: The DTV and FTV figures referred to herein are based on a mixed approach adopted by States/UTs, wherein some data are collected at the destination level, while others collect data at accommodation units or through a combination of both. Accordingly, the numbers may not strictly conform to standard definitions.
statistical_unit	Number of visits
population_coverage	Indian Nationals for Domestic Tourist Visits Foreign Nationals and NRIs for Foreign Tourist Visits
reference_period	Calendar year
duration_and_enumeration_period	Continuous data collection; aggregated annually
sample_dataset_size	Complete enumeration by States/UTs
data_confidentiality	As per dissemination policy of the Government, no personal or confidential information is disseminated.
legal_acts_and_other_agreements	NA
data_sharing	Disseminated in aggregated form through official publications of the Ministry of Tourism
release_calendar	As per the Advacnce Release Calendar (ARC) of the Ministry of Tourism
frequency_of_dissemination	Annual

data_access	Publicly available in aggregated form through the Ministry of Tourism reports and website
documentation_on_methodology	Methodology varies across States/UTs based on their administrative and reporting mechanisms
quality_documentation	Quality checks are undertaken by respective States/UTs prior to submission
quality_assurance	Consistency and plausibility checks are carried out during compilation at the Ministry level
sampling_error	NA
measures_of_reliability	NA
timeliness	Monthly data are received from States/UTs with varying time lags, depending on the respective State/UT reporting mechanisms.
comparability_overtime	Comparable across years
coherence	
source_data_type	Administrative data received from State Governments and Union Territory Administrations
frequency_of_data_collection	Monthly
data_collection_method	Administrative reporting by States/UTs using their respective data collection methodologies
data_validation	Data is validated by States/UTs
data_compilation	Data received from all States/UTs is compiled by Ministry of Tourism.
data_identifiers	NA

Metadata Report - Foreign Exchange Earnings (FEE)

Foreign Exchange Earnings (FEE)	
contact_organisation	Ministry of Tourism
compiling_agency	Research and Analytics Division, Ministry of Tourism
custodian_agency	Research and Analytics Division, Ministry of Tourism
organisation_name_owning_processes	Research and Analytics Division, Ministry of Tourism
author	
disseminating_agency	
contact_name	Sanjay Kumar
designation	Director
postal_address	Research and Analytics Division Ministry of Tourism New Delhi - 110003
contact_email	tourism.mrd@gov.in
contact_number	011-23724172
fax_number	
data_description	The dataset presents estimates of Foreign Exchange Earnings (FEE) from tourism, compiled using data on Foreign Tourist Arrivals (FTAs), travel receipts under the Balance of Payments from the Reserve Bank of India (RBI), and Consumer Price Index (Urban) [CPI(U)] published by the Ministry of Statistics and Programme Implementation.
classification_system	Balance of Payments (BoP) framework, as per international standards (IMF BPM6)
standard_classification	Not Applicable
international_classification	
national_classification	
sector_coverage	Union of India
concepts_and_definitions	Foreign Exchange Earnings are receipts of the country as a result of consumption expenditure, i.e. payments made for goods and services acquired, by foreign visitors in the economy out of foreign currency brought by them.
statistical_unit	NA
population_coverage	Foreign visitors to India
reference_period	Monthly and Yearly
duration_and_enumeration_period	Administrative Data obtained monthly. No enumeration involved.
sample_dataset_size	No sampling

data_confidentiality	As per dissemination policy of the Government, no personal or confidential information is disseminated.
legal_acts_and_other_agreements	None
data_sharing	Disseminated in aggregated form through official publications of the Ministry of Tourism
release_calendar	As per the Advance Release Calendar (ARC) of the Ministry of Tourism
frequency_of_dissemination	Quarterly and Annually
data_access	Publicly available in aggregated form through the Ministry of Tourism reports and website
documentation_on_methodology	Computation from RBI data with CPI(U) data from MoSPI, and FTA data from BoI
quality_documentation	Quality of the data is maintained by source agencies
quality_assurance	Quality of the data is maintained by source agencies
sampling_error	NA
measures_of_reliability	NA
timeliness	1 Month
comparability_overtime	Comparable across years
coherence	
source_data_type	Ministry of Tourism collects information from RBI, MoSPI, and BoI
frequency_of_data_collection	Monthly
data_collection_method	Administrative data on Foreign Tourist Arrivals (FTAs) are obtained from the Bureau of Immigration (BoI); Balance of Payments (BoP) travel receipts data are obtained from the Reserve Bank of India (RBI); and CPI(U) data are accessed from the Ministry of Statistics and Programme Implementation (MoSPI).
data_validation	NA

data_compilation	"FEE is estimated by Ministry of Tourism as follows To estimate FEE for particular month, first Foreign Exchange Earnings per tourists is estimated using quarterly data of previous year on FTA and credit under travel head Balance of payment released by RBI. Then, derived FEE per tourists is inflated using CPI (U) to get FEE per tourist for current month. Then inflated FEE per tourist is multiplied by FTA for current month to get the FEE for current month."
